COMMUNITY HOMES SOUGHT

MSSD is looking for families who would
be willing to have a student in their
home. There are some students attending
MSSD whose needs could best be met in
a family environment. The community
family home is a part of the school's
effort to provide a variety of living
arrangements for its students.

Families will receive up to \$186.00
per month per student for room and board.
Student clothing, medical care and per-
sonal items are paid for by their
parents. If you are interested in pro-
viding a home for one or more students,
please contact Carolyn E. Williamson
at 411.
